

N Type Female

Pole and cable **Not** Included

Radiation Pattern...

H-PLANE

E-PLANE

Suitable for 2.4GHz Systems including:

Wireless
CCTV

Always check connector type prior to ordering

Antenna Dimensions...

Technical Specification..	
Model no.	9DB-OUTDOOR
Frequency	2.4 - 2.5GHz
Gain	9 dBi
Gain Tolerance	+ / - 0.5dBi
VSWR	<= 1.8:1
Impedance	50 Ω
Power Handling	20w
Polarisation	Linear Vertical
Horizontal	360°
Vertical	17°
Connector	N-Type Female
Survival Wind Speed	180 Km/hr
Operation Temperature	-40°C ~ +80°C
Humidity	100% @ 25°C
Lighting Protection	DC Ground (optional)
Radome	Gray-White
Radome Material	Fibre Glass
Radiator Material	PCB Mirco Stripe
Weight	400g
Dimensions	Height 520mm Width 77mm Depth 78mm
Mounting	Wall or Pole mount

Suitable for 2.4GHz Systems including:

Wireless
CCTV

Always check connector type prior to ordering
